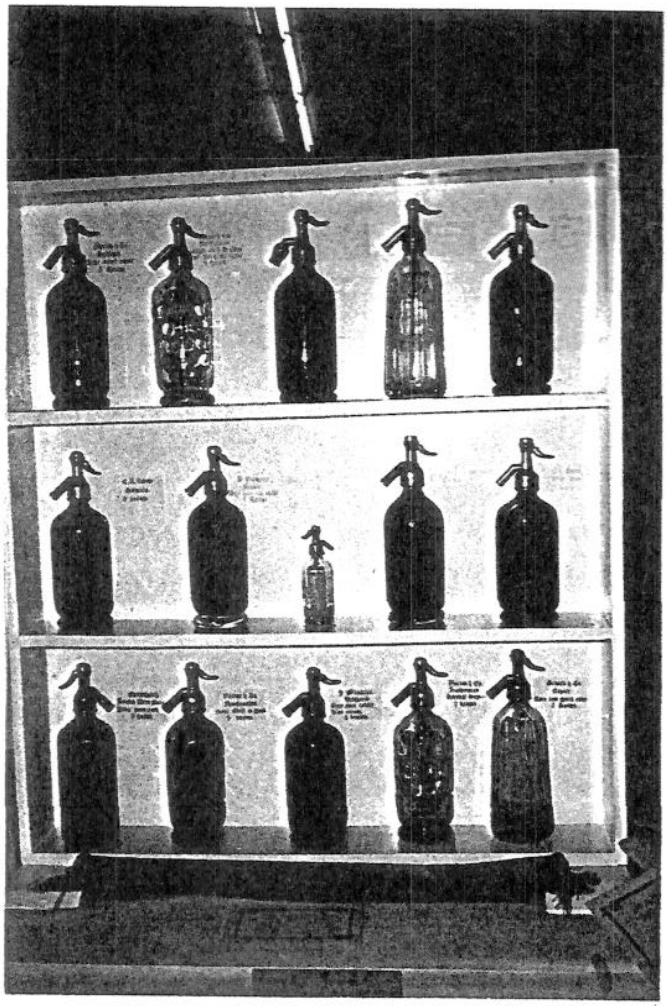
THIRTEENTH NATIONAL SHOW

The thirteenth Nationals were hosted by the Wellington Club and were held in the Horticultural Hall at Lower Hutt at Queens Birthday weekend.

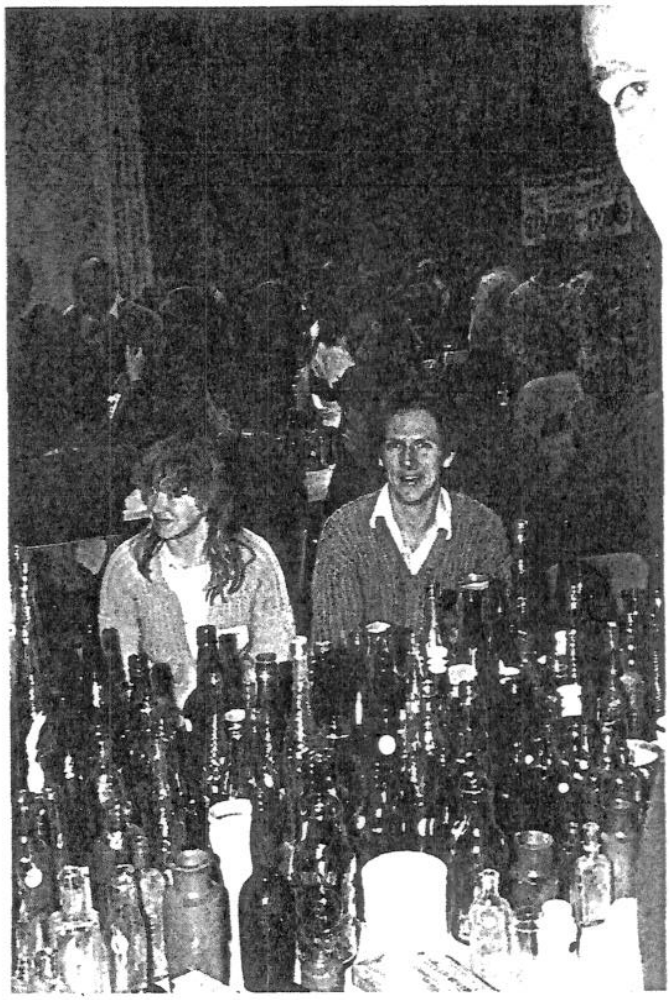
Wellington turned on uncharacteristic weather, the two days of the show being warm and sunny with no wind.

Entries for this years Nationals were down a little, a fact possibly reflecting the ever increasing cost of travel and accomodation. However the overall standard of displays was generally of a very high order and some keen competition was witnessed.

Wanganui - Rangitikei once again featured with prominence to claim



Bruce Baldwins brilliant display of Soda Syphons.



Christine and Dave part of the busy trading table scene.

the trophy for the visiting club with the most entries. Members put in 34 entries and came away with 27 wins - a great effort team.

Congratulations to Bruce Baldwin for winning bottle of the show, New Zealand user for the third year in a row.

Public support of the venue was excellant and trading tables were kept busy selling to the steady stream of buyers.

All in all, an excellant show.

Congratulations Wellington.

continued..

Club results are as follows....
